On motion of Ms. Collins, seconded by Mr. Rogers, the Board voted unanimously to approve the recommendation of the Medical Board that the following persons to be continued on disability retirement:

a. Robert Ash
b. Lucinda Brown

Mr. Coleman requested the Audit Committee report.

Mr. Ellison, Chairperson of the Audit Committee, asked Mr. Hal Hunt of Mayer Hoffman McCann P.C. to summarize the audit findings for the year to the Board and review any changes included in the Audit Report on the Financial Statements for the Years Ended December 31, 2013 and 2012.
On the motion of Mr. Ellison, seconded by Mr. Williams, the Board voted unanimously to accept the Audit Committee’s recommendation to approve the Audit report on the Financial Statements for the Years Ended December 31, 2013 and 2012.

On motion of Mr. Ellison, seconded by Mr. Rogers, the Board voted to approve the report of the Brookfield Property Group.

Mr. Coleman requested a presentation on the 1/1/2014 actuarial valuation.

Ms. Patrice A. Beckham, of Cavanaugh Macdonald, gave a thorough overview of the 2014 valuation results for the Retirement System. She noted the System’s 81.2 % funded level shows an increase of 1% from the prior year of 80.2%. This increase reflects strong investment returns in 2013, an increase in active members participating in the plan, and an increase in the contribution rate, for both members and employers effective January 1, 2014, from 7.5% to 8.0%. As a result, the System’s funding shortfall decreased from 5.52% of pay, in last year’s valuation, to 3.68% of pay in the 2014 valuation.

She explained, under legislation passed in 2013, the Board has the authority to adjust the member and employer contribution rate by no more the .50% each year, with a minimum rate of 7.5% up to a maximum of 9.0%. The Board increased the contribution rate for both member and employer to 8.0% of pay, effective January 1, 2014. In addition, the legislation changed the benefit structure for new members hired after December 31, 2013, increasing their eligibility for full retirement to the Rule of 80 or age 62 and decreasing their multiplier to 1.75% for each year of service. The impact of the new tier benefit structure will evolve gradually over time as new employees are hired but it has no impact on the current valuation.

She commented that given the funded ratio of the System, and the contribution shortfall using both the actuarial and market value of assets, Cavanaugh Macdonald Consulting, LLC recommends the Board exercise their authority to increase the employee and employer contribution rate, and set the rate at 8.50% effective January 1, 2015.

On motion of Mr. Ellison, seconded by Mr. Rogers, the Board voted to increase the contribution rate for both employees and employers to 8.50 % effective January 1, 2015.

On motion of Mr. Rogers, seconded by Mr. Brown, the Board voted unanimously to accept the report of Cavanaugh Macdonald Consulting, LLC.

Report of Chairman

Mr. Coleman reminded Board members of the upcoming educational opportunities during the month of July at MAPERS and the NCTR Trustee Workshop and encouraged all members to attend to fulfill their educational requirements.
Mr. Coleman asked Mr. Mann to discuss the recent issue concerning the May pension payments. Mr. Mann explained May’s payroll processed using the month end date of Saturday, May 31, 2014. Because the last day of the month fell on the weekend, EFT payments made to retirees were posted to their bank account the following Monday. Mr. Mann noted the software has been updated to pay on the last business day of the month. This means, if the last day of the month falls on a weekend, the payments will be posted to the bank accounts on the preceding Friday.

Report of Executive Director

Mr. Mann reviewed with the Board a cost analysis of mailing out the pension statements to retirees each month. Because of the high cost incurred each month with mailing out the statements the Board requested Mr. Mann review what would be required for retirees to have access on line to obtain this information in place of receiving statements.

Mr. Mann reviewed the charter schools’ contribution report and the refund report with the Board.

Meeting adjourned by common consent at 6:00 p.m.

Respectfully submitted,
